Dear fellow Episcopalians,

There are very important developments and events relative to the Diocese of Albany's relationship with the Episcopal Church, our national church. It is incumbent for all Episcopalians to be informed at all times.

At this meeting there will be:

- A report on the General Convention as seen by an Albany Via Media representative.
- A report on the General convention as seen by others.
- A report on Diocesan Developments as seen by Albany Via Media
- A report on Diocesan Developments as seen by others.
- A status report on the financial situation in the Diocese of Albany.
- A frank and open discussion of the above.
- Other items from the floor.

Please keep actively engaged, especially if you feel, like many others, that you still want the Diocese of Albany to be part of our beleaguered but beloved National Episcopal Church, both legally and in spirit or if you have a different view.
